M a d r a s.

Sir,

Through the Board, Revenue Settlement, M a d r a s.

The temporary occupation and use of an extent of

Enclosures acres 14-98 cents of private land in Harivanam village, Siruguppa Taluk, have become necessary for the location of sheds, kitchen, hospital store &c. connected with the Famine Relief camp at the village. The owners of the land demand compensation for loss of crop at Rs:30 to 35 per acre per annum which is considered to be very high. The compensation fixed by the Divisional Officer Bellary is Rs.20/- per acre. This seems reasonable.

The lands have already been taken possession of by the Charge Officer Famine camp from 8th April 1921 and it is expected that the possession will continue till the end of December 1921. As cultivation season will have expired by then, the parties will nave no opportunity of cultivating the lands even if the lands are given over to their possession by December next. I therefore propose to keep possession of the lands for a period of one year from 8-4-1921.

The cost of acquisition (temporary) comes to Rs.299-9-7 which will be met from the allotment under famine relief.

I request that the necessary direction under Sec 35 (1) of the Land Acquisition Act I of 1894 may be given

to the Divisional Officer, Bellary to procure the occupation and use of the land.

A statement of lands required to be occupied is enclosed duly countersigned by the Executive Engineer.
